

Team Covid Officers

Stevenage Storm is supporting the safe return to training in line with England Netball guidelines and has allocated a Covid Officer(s) to each team.

The Covid Officers will be at each Training Session and their role is to assist the committee and coaches with managing the risk of Covid-19, ensuring the safety measures are followed, supporting with Track and Trace and being a point of contact for their team.

You may wish to contact your team's Covid officer to discuss:

- information around safety measures at the club
- to report a positive test result if a player develops Covid symptoms within 48 hours of attending training or have received a positive test result from NHS test and trace
- to raise any concerns or breaches to procedure
- any suggestions for improvements you might have.

Please see the names of your Covid-Officers below:

Juniors: Lizzie Young, Lorinda Levy and Marianne Lowne

Back to Netball: Clare Churchill

Cyclones: Rosa Manning and Lisa McDonald

Lightning: Julie Laycock

Thunder: Mollie Laycock

Blizzard: Lauren Cooper
